Theme song (7th-century hymn for Advent):

Creator of the stars of night
Your people's everlasting light,
O Christ, Redeemer of us all,
We pray you hear us when we call

In sorrow that the ancient curse
Should doom to death a universe

Christ is the Morning Star

Lyrics: The Venerable Bede (672/73 – 735 AD)

Music: Arvo Part (b. 1935)

Artists: Ars Nova Copenhagen, Paul Hillier (dir.)

[Men's lower voices represent bells.]

Christ is the Morning Star

Who, when the night of this world is past,
Brings to his saints the promise of the light of life
and opens everlasting day.
